Precision Cutting

Our on-going education program ensures our designers are at the forefront of new techniques.

Creative Colour

Our award winning team of hair colourists specialise in all aspect of hair colour and colour correction.

Specialising in Real Hair Extensions

We work closely with world wide leaders in natural and synthetic hair extensions.

We specialize in all aspects of cutting, colouring, volume waves and hair extension work. Consultations are available on request free of charge.

■ We aim to have a price to suit everyone. Our tiered price structure is based on loyalty, ability and experience in hairdressing, as well as the designer's popularity with clients.

■ A free consultation is carried out prior to any service. All of our prices are based on short to medium length hair. Long hair will require extra time; therefore additional products used are subject to a surcharge. The cost of your service will be agreed before any treatment is carried out. Each service is based on a 45 – 60 minute appointment unless otherwise stated. Prices include VAT.

We also offer :

- *Client loyalty cards
- *20% Student discount
Mon - Fri 9.00am - 4.30pm
- *20% Discount - scottish widows, standard life and edinburgh university employees
